Where Life Champions Are Trained!

Dear Student,

Reis Extreme Mixed Martial Arts would like to thank you for being an active student in our program. In order to provide the most professional environment for your training, we have contracted ASF International to handle all tuition billing services and questions. With the exception of your first payment which is paid directly to us and covers your first month of tuition, **ALL** tuition payments will be made directly to ASF International. This insures that our energy is spent in providing you with beneficial programs without having to take time to process and track tuitions.

You have 3 choices for tuition payments with ASF International. They are:

- 1.) An easy pay option through Electronic Funds Transfer (EFT) directly from your checking or savings account. This is the cheapest option with no additional fees.
- 2.) Direct Credit Card withdrawal from your Visa, MasterCard or American Express card which has an added cost of \$5.00 per month for administrative handling.
- 3.) A Payment Voucher where you mail your money order or check to ASF International each month prior to your payment due date to avoid late charges. This option has an added cost of \$10.00 per month for administrative handling.

Each of the above options must be paid by the due date or you may incur late charges and/or insufficient funds charges by ASF International. These charges are not controlled and cannot be changed or removed by Reis Extreme Mixed Martial Arts.

Please insure that you look over your payment program agreement carefully so that you can manage your tuition billing without incurring additional charges.

All contracts are binding and cannot be altered or cancelled until the terms of the contract are satisfied.

For any and all billing questions, contact ASF International at: 1-800-525-8967

If you are interested in our punch card system or our Paid in Full option that eliminates our yearly Administrative Fees, please see a staff member for details.

These tuition billing options must be adhered to by all students without exception, prior to June 1st, 2009. Any student not on one of these options by June 1st will not be allowed to train until one of the above tuition options has been implemented.

Thank you for your understanding.
